

REACHING SOUTH AFRICANS...TOUCHING THE WORLD

South Africa is set to host the **2010 World Cup** in June & July. As millions of fans travel to South Africa to take part in this global event, Christians from local churches and ministries will be using this time to share their faith in Jesus Christ. Here is a unique opportunity to assist them.

[NationsTouch](http://nationstouch.org) is sponsoring the **World Cup Evangelism Project** in partnership with [Multi Ministries](http://multi-ministries.org) of South Africa. Through the free distribution of the **Ball of Many Colors** the Gospel message will be presented to boys & girls and adults by using the **Wordless Book** colors.

(The Wordless book uses five colors to explain God's plan of salvation: **GOLD** – Eternal Life in Heaven is a Free Gift, **BLACK** – Mankind is Lost because of Sin, **RED** – Christ died to Pay the Penalty for our Sins, **WHITE** – Hearts are Made Clean through Faith in Christ, **GREEN** – I Grow in my Personal Relationship with God. The **Ball of Many Colors** is provided by **Christian Resource Solutions**.)

Together we can help provide **5,000 soccer balls** to **Multi Ministries** this summer before and during the World Cup. Just **\$10** will deliver one of these creative evangelism tools (soccer ball) into the hands of South African Christians to share the Gospel. Would you prayerfully consider sponsoring **5, 10, 20 or even 100** soccer balls? Please **PRAY** for the impact of the Gospel in South Africa during the World Cup.
